This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Global Crossing Telecommunications, Inc. (Global Crossing) for a hearing on its Motion to Dismiss, filed on November 15, 2001. We would note that BellSouth Telecommunications, Inc. (BellSouth) has filed a document in opposition to the Motion.

Because of the legal complexity of the issues involved in this case, we grant oral argument on Global Crossing's Motion to Dismiss, so that the parties can clarify the issues before us, prior to us making our ruling in this matter. The Staff shall set an appropriate time for the oral arguments, and notify the parties accordingly.

This Order shall remain in full force and effect until further Order of the Commission.
